Administration

Congratulations to the Graduating Class of 1963 for completing one of the most important steps in your life to date. Now it becomes the responsibility of each individual to seek out that vocation in which you can best express your abilities in a creative and enthusiastic manner. Only in such a vocational setting will your potential qualities be harnessed and consequently developed. After you have chosen a vocation, skill and courage will still be required to overcome the obstacles that block the road to success. Each of you has the inherent qualities and basic training to be successful. You owe it to yourself, your family and your nation to make every effort to do so.

My best wishes to each of you.

Charles A. Giauque
Executive Head

I would like to offer my congratulations and best wishes to the Class of 1963. It is my hope that you have profited greatly from your high school experiences since we first met five years ago. Best of luck and success in the future.

Arthur K. Klemmer

Elementary Principal

Graduation is not an ending but rather a beginning of so many things as yet undreamed of by you. This is the time that throughout youth you have so impatiently been looking forward to, and now that the time is here, the world can be yours "if" . . .

May the '63 Mirror keep bright your days of growing up as you progress through the "if's" of adult-hood.

My heartiest congratulations for a job well done and sincere best wishes for the future
